

Directors/Officers

1. The ability of employees of BC Registries to search for director / officer information.

BC Registries employees in the business units do not have the ability to search for director or officer information.

All BC Registries IT staff have at least read access to the Registries applications database, and can directly query the relevant tables for director or officer information.

2. List of names of corporate directors / officers with more than 100 appointments over the past 10 years, and the number of active and historical appointments associated with each name.

See relevant tab in separate spreadsheet: "Response F23 - Directors Officers"

3. Number of directors/officers using a PO Box as a registered/service address.
